FRESHMEN ORIENTATION SUMMER, 1977

Two day orientation sessions were held for six weeks during the summer. Students familiarized themselves with college life and some of their fellow freshman.

PARENTS' WEEKEND OCTOBER 1-2, 1977

Parents had an excellent chance to see how their sons and daughters adjusted to college life. Some students were even motivated to clean their rooms for the first time this semester. Highlights of the weekend were: a performance by the Trinidad Tripoli Steel Band; and the weekend came to a close with an appearance by F. Lee Bailey.

OCTOBER 16, 1977

The first snow always seems to bring with it an avalanche of snowball fights and snowmen. This year was no different even though the leaves were still on the trees when those first flakes fell.

TIM SETTINI
OCTOBER 20, 1977

The mime artist, Tim Settini, proved to crowds in Cedarcrest and Laurel, that actions do speak louder than words. One of the more notable pantomimes was Mr. Settini's interpretation of the human life cycle.

NOVEMBER 30, 1977

The world famous Harlem Globetrotters entertained on Mansfield courts for the second time in two years. The clown princes of basketball dazzled spectators with their amazing agility to the tune of "Sweet Georgia Brown."

KENNETH DRAKE
DECEMBER 2, 1977

Concert pianist, Kenneth Drake, performed some of works of Ludwig Von Beethoven to a large crowd in Steadman Theatre. The piano used in the performance was almost identical to the one that had been presented to Beethoven in 1817.

CHRISTMAS PANORAMA
DECEMBER 10, 1977

Various campus groups pooled their talents to make this year's Christmas Panorama. This annual event is a fine example of how the Christmas Spirit pervades the Mansfield Campus.

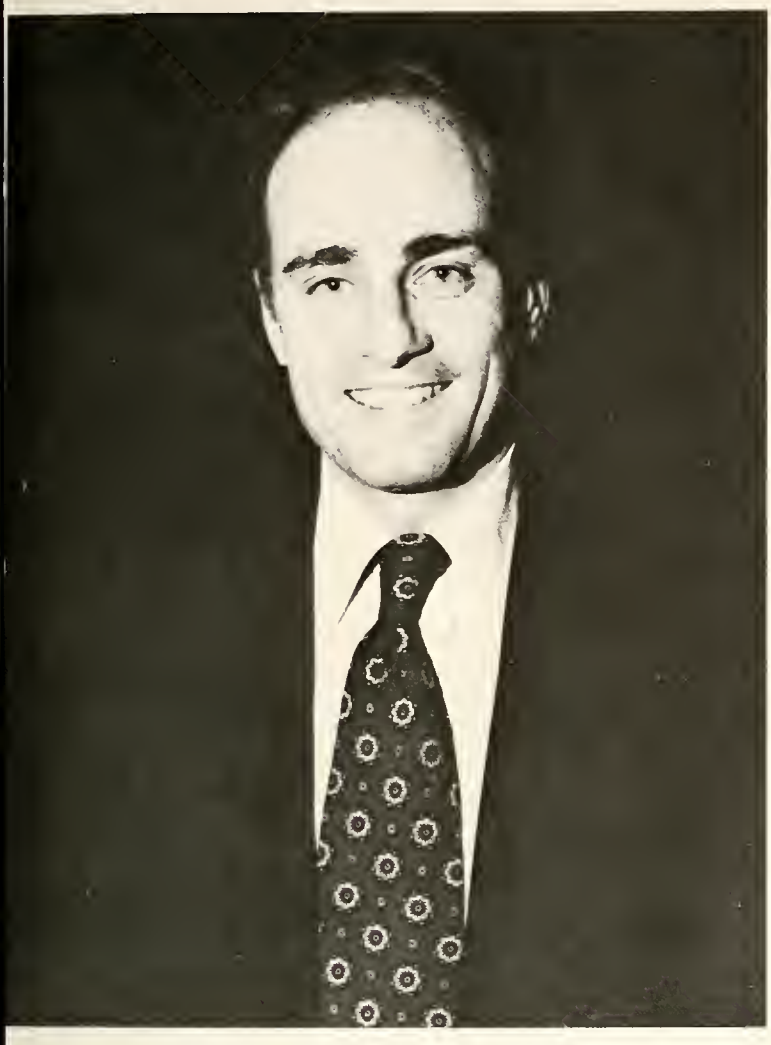
VINCENT BUGLIOSI
MARCH 20, 1978



Vincent Bugliosi, author of "Helter – Skelter"

Bugliosi, prosecutor of Charles Manson and his "family" and the author of "Helter – Skelter; The True Story of the Manson Murders," spoke in Straughn Auditorium about his experiences during the Manson trial. "The murders were probably the most bizarre in the annals of American crime," he said.

Now 43, Manson used sexual perversion, drugs and daily sermons to gain mental control over his approximately 60 followers. "His family was completely subservient to him," Bugliosi said.

More recently Bugliosi became tangentially involved in an investigation of the Robert Kennedy assassination. He said he "came up with some remarkable stuff" which led him to believe more than one gun may have been used, meaning more than one assassin was involved. Bugliosi said he is convinced of Sirhan Sirhan's guilt (convicted of the assassination).

Asked if he agreed with the United States Supreme Court Chief Justice's assertion that 50 percent of the lawyers in the U.S are inept, Bugliosi said that the percentage of inept trial lawyers is even higher.

Best wishes,

Vince Bugliosi

APRIL 21, 1978

About 50 students braved the cloudy, cold weather to venture 20 miles down Pine Creek in the Grand Canyon. Only one daring coed investigated the icy water this year. This 6 hour happening is an annual event open to all students.

Distinguished Faculty at Mansfield

Selected as distinguished faculty members were: Dr. Emery R. Breniman, Professor of the Special Education Department, for his highly effective teaching at all levels; Edward Brown, Associate Professor of the Music Department, for his creativity and involvement with his students; Dr. Gale Largey, Associate Professor of the Sociology/Anthropology Department, for his exceptional academic service.

Dr. Gale Largey

Transition 1978

Mr. William P. Wanich retired. From his appointment as Director of Scheduling and Records in 1975, Mr. Wanich has been instrumental in computerizing student's records and the scheduling process which has tremendously benefited the entire campus. His years of service are deeply appreciated.

Dr. Joseph J. Moore is retiring this year after serving Mansfield State College since 1941. He has served the student body, faculty, and employees faithfully and well, meeting the challenge of a changing society by his continued dedication to the promotion of good health care.
He is a graduate of Hollidaysburg High School, Franklin Marshall College and the University of Pennsylvania Medical School. From 1939 to 1973 he had a large General Practice in Mansfield, serving the community and surrounding areas with sincere dedication. He has taken numerous post graduate courses in cardiography, was president of the North Central Pennsylvania Heart Association in 1965, and presently serves the Soldiers and Sailors Memorial Hospital, Wellsboro, PA as an Electrocardiographer. Although we will miss Dr. Moore, we wish him a long and happy retirement.

COLLEGE UNION BOARD

215 Memorial Hall Mansfield State College
Mansfield, Pennsylvania 16933

College Union Board at Mansfield is the campus – wide student activities programming organization. CUB is a group of students concerned about the type of entertainment available to the college community. Students who are willing to devote time and talent to provide the very best in campus social programs.

CUB is the co-ordinator for dances, concerts, movies, plays, speakers and coffee houses. Almost all social and cultural activities available to the Mansfield student are organized, promoted and staged through the hard work and patience of Board members.

Satisfying the tastes of a diversified college campus is impossible, but Mansfield would be better served if more students participated in CUB. Better entertainment through a student's own efforts . . . **you** can make it happen.

Ray Pikulski

ALL-AMERICAN RAY PIKULSKI, THREE SENIORS HIGHLIGHT MOUNTIE GRAPPLING SEASON

MANSFIELD, Pa — A third place National Tournament finish by Ray Pikulski, and the completion of outstanding careers by seniors Dale Jarvis, John McCloud, and Dana Twigg, highlighted a 6-11 season for the Mansfield State College wrestling team.

A sophomore from Olean, N.Y., Pikulski ran up 22-10-1 record which included 10 tournament wins. The 167-pounder placed third at the NCAA Division III National Tournament following a fourth place finish at the Pennsylvania State College Conference Championships in February. He now qualifies as a Division III All-American. He is the fourth wrestler in Mountie history to earn that distinction.

Four-year varsity performer Dale Jarvis set a new school record for career wins this season as he finished his career with a 54-28-1 record. The 126-pounder's 54 wins topped the record formerly held by Mike Fiamingo, who had won 47 matches between 1972 and 1976. A native of Athens, Pa., Jarvis was hampered by the flu throughout the last half of the season, but still managed an impressive 12-5-1 mark.

John McCloud battled his way to a 15-9 season, which included the championship of the Cortland Invitational Tournament at 150 lbs.. The senior from New Kensington, Pa., participated for this third straight year at the NCAA Div. III Nationals and concluded his career with a fine 36-21-3 record

The third senior who had an outstanding season was Sayre, Pa., native, Dana Twigg. At 158 lbs., Twigg ran up a 13-2 dual meet record which included a nine-match winning streak. With less than three full years of varsity participation, Twigg concluded his career with a 28-12 record. His .700 winning percentage was second only to school record holder, Mike Fiamingo, whose career percentage was .737 over four seasons.

Despite the team's losing record, coach Murray Davidson pointed out that the quality of the Mountie schedule, which included matches with three Div. I teams and a number of small college powers, was exceptional. The team was also decimated by the flu in early February when it dropped five of its last six matches to finish at 6-11.

Following a last-place finish at the Pennsylvania State College Conference Championships, the Mounties redeemed themselves at the NCAA Division III Meet when they placed in the top 30 in the 92-team tournament.

THE WHITE HOUSE

WASHINGTON

May 2, 1978

TO THE 1978 GRADUATES OF
MANSFIELD STATE COLLEGE

It gives me great pleasure to recognize and applaud your achievements as you mark this important point in your life.

You are privileged to have had the chance to enjoy the freedom of spirit and flexibility of thought that an educational experience allows. But in the years ahead, your ability to think independently will be tested by the increasing responsibilities you must face. The years you have spent in schools and college will be a success if they have equipped you to withstand those pressures.

The basic human truths and commitments that education teaches are fundamental to our democratic ideals. They give us our national strength, spirit, and unity. They endure despite the pressures of daily life. They prepare us to exercise our responsibilities as citizens -- including voicing our concerns and criticisms when public officials fall short of the standards we have set for our country.

As you complete your years of college, your horizons will broaden, and you will bear part of the shared human responsibility for the affairs of your community and your nation. I hope that you, as educated citizens, will see this as a privilege and a responsibility.

Jimmy Carter

TO STAFF:

I know that you believe you understood what you think I said, but I am not sure you realize that what you heard is not what I meant.

TO STUDENTS:

I am sorry my book came out late, but it **did** get out. Enjoy, live long, prosper and remember Mansfield. Read as much as you can of what ever you can.

TO SENIORS:
Please contribute to Mansfield's future. Your donation is tax deductable and may be any amount. Keep the college informed of your address. Success in all endeavors!
